Important Information Regarding your Cox Cable

Your new home is equipped with Cox “Mini Boxes” and Cox Remotes.

**Cox Mini Boxes & Cox Remotes are property of Methodist Manor
and are to remain in the residence.**

Once you’re ready to use your TV’s after your Move, OMM Maintenance will come and program the Cox remote to work with your TV and the Mini Box.

If you plan to order more Cox Channels, you will need to contact Cox to order the service needed and Cox will need to come out and set up your TV’s & equipment.

If you need to add a cable outlet, Cox would need to be contacted and may charge a Fee. If a fee is charged, it will be Members responsibility to pay the cost.

If you are having any problems with the Mini Box, please contact the OMM Operations Coordinator. OMM may need to have Cox come out and replace the Mini Box. We apologize for any inconvenience if this happens.
